

ICICC-2020
**International Conference on Innovative Computing and
Communication**
Organized by Shaheed Sukhdev College of Business Studies, New Delhi, India
On 21-23rd Feb 2020.

***** **CALL FOR PAPERS** *****

SPECIAL SESSION ON

Emerging Trends and Applications on Sustainable Smart Computing and Information Sciences (SSCIS)

SESSION ORGANIZERS:

Dr. Aditya Khamparia, Lovely Professional University, India, aditya.khamparia88@gmail.com

EDITORIAL BOARD: (Optional)

TBA

SESSION DESCRIPTION:

The main aim of this special session is to focus upon the emerging trends, challenges and advancement in information science and sustainable computation which includes a set of rigorously reviewed world-class manuscripts addressing in the areas of Industrial Electronics, Technology & Automation, Telecommunications and Networking, Intelligent Systems, Bio-informatics, Computing Sciences and Software Engineering, Engineering Education, Internet of Things and Multidimensional architectures. The primary interest of this special session is to provide the platform for state of art and recent research in Computing, Informatics and Engineering for growth and development. The focus must be on real world problems and their prospective solutions.

RECOMMENDED TOPICS:

Topics to be discussed in this special session include (but are not limited to) the following:

- Machine Learning and Deep Learning Techniques and algorithms for smart applications.
- Data mining and intelligent data warehousing for Assistive applications.
- Cloud, Fog, pervasive and Dew Computing for IoT enabled Applications
- Software Engineering, Agile Computation and Automation.
- Bio-inspired and Genome computation applications.
- Gamification and Social Networking Systems.
- Networking and Information Science.
- Business Models and Processes for the Internet of Things.
- Control System and IoT Embedded Applications.

SUBMISSION PROCEDURE:

Researchers and practitioners are invited to submit papers for this special theme session on **[Emerging Trends and Applications on Sustainable Smart Computing and Information Sciences] on or before [01-Dec-2019]**. All submissions must be original and may not be under review by another publication. INTERESTED AUTHORS SHOULD CONSULT THE CONFERENCE'S GUIDELINES FOR MANUSCRIPT SUBMISSIONS at http://icicc-conf.com/paper_submission.html. All submitted papers will be reviewed on a double-blind, peer review basis.

NOTE: While submitting paper in this special session, please specify **[Emerging Trends and Applications on Sustainable Smart Computing and Information Sciences]** at the top (above paper title) of the first page of your paper.
