

ICICC-2020
**International Conference on Innovative Computing and
Communication**
Organized by Shaheed Sukhdev College of Business Studies, New Delhi, India
On 21-23rd Feb 2020.

******* CALL FOR PAPERS *******

SPECIAL SESSION ON

Recent Trends and challenges in Information and Communication Technologies

SESSION ORGANIZERS:

Dr. Madhulika Bhatia, MRIIRS, Faridabad, India, Haryana; madhulikabhatia@gmail.com;9871907580
Dr. Madhurima Hooda, Amity University, Noida; 10madhurima@gmail.com

EDITORIAL BOARD: (Optional)

SESSION DESCRIPTION:

This special session focuses on the emerging trends in Information and communication technologies where in the last few years Information and Communication technologies (ICTs) have played a very important role in every aspect. This special session address various trends and challenges in ICT. Sensors, Internet of Things, Satellite Remote sensing, cloud computing, semantic sensor web, geographical s session is inviting research papers. information systems, modeling and analytics, data acquisition, integration, dissemination, processing and storage, management and control, visualization and decision support can be implemented to enable smart technologies in data . The main objective of this special session is to highlight how ICTs can be incorporated with almost every aspect of innovation. Researchers, industry experts, students are invited to present and discuss cutting-edge research in the areas of ICT. This special session presents original research and technological development for addressing real and complex issues related to society and technology.

RECOMMENDED TOPICS:

Topics to be discussed in this special session include (but are not limited to) the following:

- a.) Big Data and Data analysis
- b.) Cloud Computing and Virtualization
- c.) Smart Technologies
- d.) Information Retrieval and Smart communication
- e.) Geospatial Data and analysis

- f.) Digital Democracy and Digital will
- g.) Data Visualization
- h.) Knowledge Engineering
- i.) Computer Networks
- j.) Wireless Technologies
- k.) Knowledge Engineering
- l.) Virtual and augmented Reality
- m.) Machine Learning and artificial Intelligence.

SUBMISSION PROCEDURE:

Researchers and practitioners are invited to submit papers for this special theme session on Recent Trends and challenges in Information and Communication Technologies **on or before** . All submissions must be original and may not be under review by another publication. INTERESTED AUTHORS SHOULD CONSULT THE CONFERENCE'S GUIDELINES FOR MANUSCRIPT SUBMISSIONS at http://icicc-conf.com/paper_submission.html. All submitted papers will be reviewed on a double-blind, peer review basis.

NOTE: While submitting paper in this special session, please specify [**insert special session title**] at the top (above paper title) of the first page of your paper.
